Dear Dr. Green:

I am very happy to see this 25-year-old man in such good condition. He is a fine specimen of a man and I am sure he will be a credit to his family and friends.

He was born in 1868 in the town of Hailstone, Utah. His parents were John and Mary Walker. He grew up in a simple home and received a good education. He was a hard worker and a good provider for his family. He married Mary Smith in 1892 and they had four children: John, Mary, William, and Charles. He died in 1935 at the age of 67.

He was a member of the Methodist Church and served as a deacon for many years. He was also a member of the Masonic Lodge and served as a Master Mason for several years. He was a member of the Knights of Columbus and served as a Knight for many years.

He was a member of the Hailstone Grange and served as a Trustee for many years. He was also a member of the Hailstone Grange and served as a Trustee for many years.
